DETAILED ACTION

1. The petition to revive the case from abandonment has been granted dated Sept. 28, 2006.

The response filed by applicants dated June 19, 2006 and the terminal disclaimer have been entered and considered carefully.

Claims 1-6 are pending.

2. *Reason for Allowance*

The following is an examiner's statement of reasons for allowance:

Applicants have amended claim 1 and provided description of the particularity of the claimed scope in the specification, therefore, the 112 first paragraph rejection is dropped in view of the amendment. An acceptable terminal disclaimer has been filed, thus, the obviousness type double patenting has been obviated. Claims 1-6 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Celia Chang whose telephone number is 571-272-0679. The examiner can normally be reached on Monday through Thursday from 8:30 am to 5:00 pm.
